

**For Immediate Release
August 10, 2010**

The Show Must go on, Bigger and Better than ever.....

The Antelope Island Stampede Committee was recently informed of a conflict between the partners in the promotion company that were putting the shows on for **Eve 6** and **Sawyer Brown** at the Antelope Island Stampede Festival September 3-5, 2010. The promoter indicated he would not be able to fulfill their commitment to the Stampede Festival.

In light of this new situation the Antelope Island Stampede Committee would like to apologize for any inconvenience this may have caused but promises to deliver a fabulous event in spite of this last minute challenge.

The Festival will be bigger and better than ever with local bands stacked up on the main stage all weekend long with non-stop entertainment such as, *Red Shot Pony*, *d. Scott Williams*, *Crossfire* and *Shades of Grey* to name a few.

Balloons will launch early each morning and put on a spectacular glow in the evenings (weather permitting). Scenic backdrops provide stunning vistas for guests to the island not to mention spectacular sunsets.

The professional kite demonstrations were a big hit last year and new performers such as I Quads, are sure to amaze the crowds. Kilters have also been incorporated into the educational component at the Davis County elementary schools for the first time and promise a fantastic show for the students.

Food, Art and Craft vendors have been expanded with more variety and Really Good Eats! Other activities include Horseback riding, Large Inflatables / Kids Area, Go Fly a Kite Area and more.

Last year the Festival drew approximately 22,000 people. Aside from the event there is so much to do and discover about Antelope Island. It is a captivating place with 36 miles of hiking and biking trails, the beach where you can swim and float in the Great Salt Lake, Buffalo Island Grille, The Visitors Center or Historic Fielding Garr Ranch. You'll never run out of things to discover on the island and the sunsets, spectacular!

Bring your family and friends out for a great time Labor Day Week-end event and see why folks come back time after time to discover or rediscover Antelope Island.
